Re: RFP 2023-007 and RFP 2023-008: Dump Trucks

Three bids for both single and tandem axle dump trucks were received on May 8, 2023. Present at the bid opening were myself, Tom Farrelly, and Matt Tarnowski. Also present were Derek McGee of Gabrielli Truck Sales, Chris Rose of Viking-Cives, and Ed Zynko of Freightliner of Hartford.

Based on the bids received, it is our recommendation that the trucks be purchased from Freightliner of Hartford with Equipment Specialists bodies. Choosing the same body manufacturer for both trucks allows for easier purchase of parts and coordination of service. Allegiance Trucks bid the lowest price for the tandem axle truck, but the specifications of the truck bid differ significantly from what was required by the bid documents. Both trucks are funded on the Vehicle Replacement Plan.

Please see the attached sheet detailing each bid received. If you have any questions let me know.
