Re: RFP 2023-001: On-Call Metal Beam Rail Installation

One bid for On-Call Metal Beam Rail Installation was received on March 22, 2023. Present at the bid opening were myself, Tom Farrelly, and Matt Tarnowski, DPW. Bids were solicited for furnishing and installing guide rail throughout the Town of Southbury.

Despite a single bid being received, the bid represents a fair price to the Town for the services required, and was submitted by a trusted company the Town has worked with in the past. Therefore, it is our recommendation that the bid be awarded to Guide Rite, LLC. Please see the attached sheet detailing the bid received.

If you have any questions please let me know.
