Re: RFP 2023-009: Construction Equipment Rental Services

Three bids for Construction Equipment Rental Services were received on May 1, 2023, from the three prequalified contractors previously approved by the Board of Selectmen. Present at the bid opening were Betsy Rosa, Matt Tarnowski, and myself.

Per the Procurement/Bidding Guidelines, the Public Works Department utilizes the bid prices submitted and awards the low bidder for each specific project under consideration based on estimated equipment needed and duration. Please see the attached sheet detailing each bid received. It is our recommendation that the Board of Selectmen accepts the bids submitted.
