INFORMATION FOR BIDDERS

1. PROPOSAL. Proposals are being sought for construction equipment rental rates from **previously prequalified contractors**. All work shall be furnished in full accordance with the specifications.
2. RECEIPT AND OPENING OF BIDS. Separate sealed bids shall be received in the **Office of the First Selectman**, 501 Main Street South, Southbury, CT 06488, until the time and date stated in the INVITATION TO BID, and will thereafter be opened and read aloud in **Room 208 of Town Hall**. Proposals may be withdrawn 120 days after opening if no award has been made, except upon the mutual consent of the Town and the bidder. All bids shall be submitted in sealed, opaque envelopes clearly labeled with the name of the bidder, his address, and the words **“Bid Documents, RFP 2023-009 – Construction Equipment Rental Services”** so as to guard against opening prior to the time set therefore. **One original and two copies** of all bids shall be submitted. Bids may be forwarded by mail. If mailed, the sealed opaque envelope containing the proposal, marked as described above, shall be enclosed in another envelope properly addressed for mailing. The Town may consider informal any bid not prepared and submitted in accordance with the provisions hereof and may waive any informalities in or reject any and all bids. Any bid may be withdrawn prior to the above scheduled time for the opening thereof.
3. PREPARATION OF PROPOSAL. Each bid must be submitted on the prescribed form and all blank spaces for bid prices must be filled, handwritten in ink or type written, in both words and figures. Bid prices shall include **all labor, materials and equipment necessary to complete the work** in accordance with the bid documents.
4. WITHDRAWAL OF BIDS. Bids may be withdrawn personally or on written or telegraphic request dispatched by the bidder in time for delivery in the normal course of business prior to the time fixed for opening, provided that written confirmation of any telegraphic withdrawal over the signature of the bidder is placed in the mail and postmarked prior to the time set for bid opening. Negligence on the part of the bidder in preparing his bid confers no right of withdrawal or modification of his bid after such bid has been opened.
5. FAMILIARITY WITH LAWS, SITE CONDITIONS AND DOCUMENTS. Each bidder is required to be familiar with and to comply with the terms and conditions of the specifications and all other bid documents and with all federal, state and local laws, ordinances or regulations which in any manner relate to the furnishing of the services in accordance with the bid. Each bidder shall thoroughly familiarize himself with all conditions of the bid documents and specifications before preparing his proposal. The submission of a proposal shall be construed as an assurance that such examination has been made and the failure of the bidder to familiarize himself with conditions relating to the specifications shall not in any way relieve any bidder from any obligation in respect to his bid.

6. **TAX EXEMPTION.** The Town of Southbury is exempt from paying tax and, for that reason; the bid price shall not include any tax on the items specified.
7. **QUALIFICATIONS OF BIDDER.** Bidders must be regular full time Contractors in the type of service specified. The Town may make such investigations as it deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the Town all such information and data for this purpose as the Town may request. The Town reserves the right to reject any bid should the evidence submitted by, or investigation of, such bidder fail to satisfy the Town that such bidder is properly qualified to carry out the obligations of the bid and to complete the project contemplated therein. Conditional bids will not be accepted.
8. **ERRORS, INTERPRETATIONS, AND ADDENDA.** Should a bidder find any omissions, discrepancies or errors in the specifications or other bid documents or should he be in doubt as to the meaning of the specifications or other bid documents, he should immediately notify the Town who may correct, amend or clarify such documents by a written interpretation or addendum. No oral interpretations shall be made to any bidder and no oral statement of the Town shall be effective to modify any of the provisions of the bid documents.
9. **METHOD OF AWARD - LOWEST QUALIFIED BIDDER.** The Town reserves the right to reject any or all bids and may waive any informalities. The bid will be awarded to the responsible bidder submitting the lowest bid complying with all conditions set forth in these bid documents. The delivery or completion date and skill and experience of the bidder shall be factors considered in the awarding of the bid and may result in an award to a vendor other than the bidder quoting the lowest price. The Director of Public Works shall select the lowest qualified, responsible bidder on the Selected Contractors List who has available the equipment and operator(s) required for the particular project during the entirety of the time in which the project is estimated to be ongoing by the Director of Public Works. In selecting the lowest qualified, responsible bidder, the Director of Public Works shall consider the totality of the equipment that is needed for a particular project and may aggregate the total cost of the equipment that is needed in order to determine who the lowest bidder is so that the Town may rent all of the equipment from a single contractor for a given project. If more than one contractor from the Selected Contractors List is deemed to be the lowest qualified, responsible bidder, any contractor who is also a Southbury taxpayer shall be given preference. The Director of Public Works shall select the contractor or propose for approval by the First Selectman or Board of Selectmen a contractor for equipment for a specific project. In the event that there is a discrepancy between the price written in words and in figures, the price written in words shall govern.
10. **SUBCONTRACTORS.** The bidder is specifically advised that any person, firm or other party to whom it is proposed to award a subcontract under this bid must be acceptable to the Town and that approval of the proposed subcontract award cannot be given by the Town unless and until the successful bidder submits all information and evidence requested

by the Town regarding the proposed subcontractor. Although the bidder is not required to attach such information and evidence to his bid, the bidder is hereby advised of this requirement so that appropriate action can be taken to prevent subsequent delay in subcontract awards.

11. **RIGHT OF THE TOWN TO TERMINATE PROJECT.** In the event that any of the provisions of this bid are violated by the Contractor, or by any of his subcontractors, the Town may serve written notice upon the vendor of its intention to terminate the work, such notices to contain the reasons for such intention to terminate the work, and unless within five (5) days after the serving of such notice upon the Contractor, such violation or delay shall cease and satisfactory arrangement of correction be made, the project shall, upon expiration of said five (5) days, cease and terminate. In the event of any such termination, the Town shall immediately serve notice thereof upon the Contractor. In the event of such termination, the Town may take over the work or any portion thereof, and prosecute the same, by contract or any other method, for the account and at the expense of the Contractor, and the Contractor shall be liable to the Town for any excess cost occasioned by the Town as a result of such termination.
12. **PAYMENTS.** Invoices shall be furnished to the Director of Public Works or his designee for verification and approval of the amount due the Contractor. Final payment will not be made until final acceptance by the Town of Southbury of all work. The Contractor agrees that he will indemnify and save the Town harmless for all claims growing out of the lawful demands of subcontractors, laborers, suppliers and assignee.
13. **GUARANTEE.** All equipment and materials including all parts and assemblies, if applicable, shall be guaranteed against defects in material and workmanship for a period of at least one (1) year after acceptance. Guarantee shall commence at the time of official acceptance by the Director of Public Works or his designee. Where it is required for the Contractor to repair, replace, resurface, replant or to modify, alter, add or remove hardware, parts, components, or related accessories for the purpose of ensuring proper appearance, performance or operation, such work shall be done as required by the Contractor until such time as acceptable performance has been established. Problems which occur shall be corrected in an appropriate fashion under guarantee. The Contractor shall be responsible to attend to and remedy such items within a reasonable amount of time. Appropriate logs and schedules shall be maintained to reflect these items and their redress.

B. DECLARATION OF POLICY.

The proper operation of the government of the Town of Southbury requires that Public Officials and Town Employees be independent, impartial and responsible to the people; that governmental decisions and policies be made in the proper channels of the government structure and free from coercive or other improper influence; that Public Officials and Town Employees not use their positions for personal gain; and that the general public have confidence in the integrity of its government.

This Ordinance sets forth standards of ethical conduct to maintain and enhance responsible and effective public service by our Public Officials and Town Employees in the performance of their duties.

In the interest of ensuring that concerns regarding possible conflict of interests are promptly raised, this Ordinance permits a concern that a conflict of interest may exist to be raised by any person, regardless of whether the person would be considered an aggrieved party as that term is interpreted under Connecticut law. Any failure to observe the procedures set forth in this Ordinance shall not, however, afford a basis for an action for damages against the Town, any Town board, committee, commission, agency or employee, or any member of any Town board, committee, commission, or agency, or for challenging a decision, license, permit or other action of a Town Employee, board, committee, commission or agency or member of same by a person who would not, but for the provisions of this Ordinance, have standing to bring such an action.

C. DISCLOSURE OF CONFLICT.

Any Public official or Town Employee who has a conflict or potential conflict of interest as defined herein, whether or not such conflict or potential conflict is material, shall disclose the interest causing such conflict or potential conflict in writing to the Board of Selectmen.

Any Public Official or Town Employee who is a member of any Town board, committee, commission or agency who has a conflict or potential conflict of interest as defined herein, whether or not such conflict or potential conflict is material, shall, in addition to the disclosure required by this Ordinance, disclose the interest causing such conflict to such board, committee, commission, or agency and such disclosure shall be recorded in the board's, committee's, commission's or agency's minutes.

D. DETERMINATION OF MATERIALITY.

In the event that a disclosure or a claim of a conflict of interest with respect to any Public Official or Town Employee has been made to the Ethics Commission, and the Public Official or Town Employee does not disqualify himself/herself from matters with respect to which the conflict of interest allegedly exists, the Ethics Commission shall promptly inquire into the facts of the matter and determine whether or not a conflict exists and if so, whether it is material.

In the event that a disclosure or a claim or a conflict of interest with respect to any Public Official or Town Employee who is a member of a Town board, committee,

commission or agency has been made to such board, committee, commission, or agency and the member does not disqualify himself/herself from matters with respect to which the conflict of interest allegedly exists, the board, committee, commission or agency shall forthwith determine by a majority of those members present, excluding the member whose interest is in question, whether or not a conflict exists and, if so, whether it is material.

E. DISQUALIFICATION.

If it has been determined that a material conflict of interest exists, the Public Official or Town Employee who has the conflict shall be disqualified from discussing or acting upon any matter encompassed by that conflict of interest, and shall leave the room during any public hearing, discussions or deliberations regarding the matter. Any Public Official or Town Employee may disqualify himself/herself even though the conflict of interest is not material.

F. CLAIM OF CONFLICT.

If a formal written complaint is made to the Ethics Commission that any Public Official or Town Employee has an undisclosed conflict of interest, the Ethics Commission shall record and act upon the claim in accordance with its procedures as outlined in Section J.

G. GIFTS AND FAVORS.

No Public Official or Town Employee shall accept or receive, directly or indirectly, anything of value (whether by rebate, gift, promise, obligation or contract for future reward or compensation or otherwise) for awarding or influencing the award of any decision, permit, license, contract or purchase order by the Town. Anything of value when in the form of a gift shall not be deemed relevant if the actual cost of that item is less than \$25.00.

H. REPRESENTATION.

Without the prior written consent of the Ethics Commission, no Public official or Town Employee shall appear for compensation, except on behalf of the town, before any Town board or agency in which he/she was formerly employed or served as an official at any time within a period of one (1) year after termination of his/her service with the Town.

No current or former Public Official or Town Employee shall disclose or use confidential information acquired in the course of and by reason of his/her official duties, for personal and/or financial gain for himself/herself or others.

No former Public Official or Town Employee who participated substantially in the negotiation or award of municipal contract or who supervised the negotiation or award of such a contract shall accept employment with a party to the contract other than the Town for a period of one (1) year after such contract is signed.

I. INDEPENDENT CONTRACTORS.

Before hiring any consultant, independent Contractor or other advisor, the Public Official, Town Employee, board, committee, commission or agency that proposes to hire the independent Contractor shall inquire whether the independent Contractor has any conflict of interest as that term is defined in this Ordinance or as defined in any code of ethics or similar code applicable to the independent Contractor. Any such conflict shall be specified in the appropriate Town records (such as minutes of any relevant board, committee, commission, or agency).

Prior to hiring any independent Contractor with a conflict, the Public Official, Town Employee, board, committee, commission or agency proposing to hire the independent Contractor must make a determination that the conflict is not material and/or that despite the conflict, the independent Contractor should be hired. The decision and the reasons therefore must be a matter of public record.

No consultant, independent Contractor or other advisor of the Town shall represent a private interest in any action or proceeding against the interest of the Town which is in conflict with the performance of his/her duties as such consultant, independent Contractor or advisor. No consultant, independent Contractor or advisor may represent anyone other than the Town concerning any matter in which he/she participated personally and substantially as a consultant to the Town. Neither shall such consultant, independent Contractor or advisor disclose confidential information acquired while performing his/her duties for the Town, nor shall he/she use such information for the personal and/or financial interests of himself/herself or others.

J. PROCEDURE.

All claims pertaining to a violation of this Ordinance shall be made, in writing, to the Ethics Commission in accordance with the rules and regulations promulgated by that Commission which shall be found in the Town of Southbury Ethics Commission Statement of Procedures. These rules shall require the Complainant to specify the facts that gave rise to his/her claim and the specific provision of this Ordinance that has been breached on a Form provided by the Ethics Commission. The Ethics Commission may, but is not required to consider claims made against individuals who are former Public Officials or Town Employees. Any allegations and any information learned, supplied to or received from or by the Ethics Commission shall remain confidential until a finding of Probable Cause is determined by the Ethics Commission.

The Ethics Commission is authorized to issue advisory opinions at its discretion.

K. PENALTIES.

Any person who violates any of the provisions of this Ordinance may be censured or reprimanded or may be suspended or removed from Public Office or Town Employment, as the case may be, in the manner provided by law as recommended by the Ethics Commission with action by the Board of Selectman.

Any violation of this Ordinance shall render any purchase, contract, or transaction or any part thereof affected thereby voidable as recommended by the Ethics Commission with action by the Board of Selectmen.

Any violation of this Ordinance with respect to any decision of a board, committee, commission or agency shall be subject to any remedies deemed proper as recommended by the Ethics Commission with action by the Board of Selectmen and permitted by law.

The penalties provided above are in addition to any other penalties provided by law to address violations of the provisions of this Ordinance.

L. CONCURRENT OFFICES.

No Town Employee shall serve on any board, committee, commission or agency to which the Town Employee reports or acts as staff, except as otherwise stated in the Town Charter or Ordinances. Notwithstanding the foregoing, a Town Employee may serve on any board, committee, commission or agency in an advisory capacity.

Except as otherwise provided in the Charter or by Ordinance, the First Selectman, the Selectmen, the Town Clerk, members of the Board of Finance and members of the Ethics Commission shall hold no other Public Office, and the provisions of Section 9-210 of the General Statutes concerning incompatible Town offices shall apply to the officers described therein.

The restrictions set forth in Section L. 1 and Section L. 2 shall not apply to membership on any temporary or advisory only committee, task force, working group, or the like.

Subject to the restrictions set forth in applicable law, or by the Charter or by Ordinance, and in Section L. 2 of this Ordinance, nothing in this Ordinance shall prevent the appointment of the same person to more than one Public Office, provided the offices are not incompatible, provided the duties of the offices to which he/she is appointed may, in the opinion of the Ethics Commission, be satisfactorily fulfilled by one person, and provided further that inability to fulfill satisfactorily the duties of all offices to which he is appointed shall be cause for removal from any one or more of said offices.

M. MEETINGS.

Members Attendance. Public Officials who are members of boards, committees, commissions, and agencies are expected to attend all meetings of such boards, committees, commissions and agencies or attend meetings in accordance with the by-laws or other duly adopted rules of the group to which they belong. However, it shall not be deemed to be a violation of this Ordinance if public officials who are members of boards, committees, commissions, and agencies comply with the standards set forth in Section 512 of the Town Charter.
