Re: RFP 2023-011: Camera Video Detection Systems

Two bids for Camera Video Detection Systems were received on May 30, 2023. Present at the bid opening were myself, Tom Farrelly, and Matt Tarnowski. Also present was Brian Germinaro of NY-CONN Corporation. Bids were solicited for replacing in-ground traffic signal loops on Main Street South with camera systems.

Based on the bids received, it is my recommendation that the bid be awarded to Arden Engineering Constructors. Please see the attached sheet detailing each bid received.

If you have any questions please let me know.
