Re: Hydroseeding Bids

Two bids for a one year hydroseeding contract were received on October 5, 2022. Present at the bid opening were myself, Matt Tarnowski, DPW, Betsy Rosa, OFS, and Noreen Thompson, OFS.

Based on the bids received, it is my recommendation that the bid be awarded to MRC Property Services of Southbury. Please see the attached memo detailing each bid received.

If you have any questions please let me know.

## Bids Received

All bids submitted are inclusive of hydroseeding with low grow, no mow seed, a 70/30 hydro mulch mixture, tackifier, starter fertilizer, and weed preventer.
