Re: RFQ 2023-005: On-Call Consulting Engineering Services

Qualifications were solicited for engineering firms to provide services for the Town on an as-needed basis for a 3-year term. Ten submittals were received. In accordance with the Town's Bidding and Procurement Policy, a committee met to review the qualifications, and consisted of the following: Jeff Manville, Dan Colton, Blake Leonard, Tom Farrelly, and Matt Tarnowski. Per the policy, the committee shall recommend at least three but no more than ten firms to become on-call engineers for the Town.

Upon careful review and consideration, based on the submittals received, it is our recommendation that the following firms be selected:

- Cardinal Engineering Associates
- Dymar
- Fuss & O'Neill
- SLR Consulting
- Stuart Somers Company
- Weston & Sampson

If you have any questions please let me know.
